**TO: ALL PRINCIPALS IN NT CATHOLIC SCHOOLS  
ALL STAFF & STUDENTS IN NT CATHOLIC SCHOOLS**

**SUBJECT: INFORMATION & COMMUNICATIONS TECHNOLOGY (ICT) POLICIES**

Dear Colleagues

The recent issue concerning a posting on social media and attempts to access email systems once again highlights the need for all staff and students to be aware of the policies that Catholic Education NT has circulated on this subject.

Attached are the three policies:

1. CENT Acceptable use Policy – dated Feb 2015
2. CENT Cyberbullying Policy – dated Sept 2012
3. Digital communication, staff conduct & student safety – dated June 2013

Please ensure your staff and students are informed about these policies. If you have developed your own policies based on these, please ensure they are up to date, particularly on the topic of social media as outlined in the Acceptable Use Policy.

Yours sincerely

Greg O'Mullane  
Deputy Director School Services
