### *Dear Members of MacKillop Catholic College Community,*

Whilst schools are complex entities, they cannot flourish without the support of many willing people. Here at MacKillop, in any one week we can list an impressive number of willing volunteers who have readily given time, presence, energy, and skills to the life of the College. Already this term, we have seen parents, friends and community members in and about the College: at the Dance Tour wrap up night, marking out the oval, at the parent /teacher/ student conferences, enjoying the AFL and Rugby Matches, attending P & F and Board Meetings, helping out in the Office and Canteen, and generally about the College involved in a range of useful activities. Put simply, your help makes this place better. Even helping out with the smallest tasks can make a huge difference to students and staff.

This term, we decided not to run the regular working bee due to the onset of the build-up and the very hot conditions. Rather than this, we invite parent volunteers to do just one thing as a last opportunity to register for the working bee credit. The activity is of your choice and at your time. We would love to see you. The success of MacKillop and in fact most schools, rests greatly on the support and commitment of parents, friends and community members.

*Some suggestions for your support include:* library, canteen, grounds, tidying store rooms, helping with events such as the Year 12 Graduation Breakfast, Christmas Fair or Young Musician of the Year, setting up for assemblies, fundraising for Missions, minor maintenance tasks or any event on the term planner.

### *This term we are delighted to welcome:*

**Antonella Masia**  
(Replacing Mrs Sara Gagliardo, who is on maternity leave)  
English, Italian and Religious Education

**Estia Sales**  
(Replacing Mr Peter Cusbert)  
Science & Maths

All the best for the new term ahead and we look forward to seeing you at many of the events as detailed in the planner.

*With blessings,*

*Lauretta Graham*  
Principal

*May your journey always be filled with blessings and may the life of Saint Mary MacKillop ignite in you the flames of faith and service*

## From the Deputy Principal - Academic Studies

Welcome to Term 4. Although the Year is drawing to end, there is still much to do for both students and staff. Please make sure to keep the College Calendar at hand to be aware of key dates. It is vital that students are on track with assessments, please help your children by finding a balance between their School / Work / Sport and Social life. Students will have assessments this term, please check the Assessment Calendar on our website. Students will also have homework which will help them in their studies, please remind your children to bring their diaries to school and to show you each night. Staff are here to help, so if you need clarification or assistance around assessments, dates, classwork or anything else please feel free to contact us. Let's have a great Term 4!

### CATHOLIC MISSION MONTH

*"I have come that they may have life, and have it to the full." — John 10:10*

Catholic Mission is the Australian agency of the international Pontifical Mission Societies. Locally and globally, they answer the call to love God and love our neighbour, and work to establish the Reign of God through building communities of missionary disciples of Jesus who share their faith by proclaiming the Word, serving people in need, acting for justice and creation, and adopting child-focused development programs.

Compelled by the message, life and love of Jesus Christ, we form Australians for mission and raise funds for mission—in Australia and around the world. This enables heroic missionaries to reach out to help children and communities in need, and provide vital training for seminarians and other young Church leaders.

Catholic Mission operates in over 160 countries to support initiatives in 1,100 dioceses, including remote Australia. Grassroots needs are identified by local Catholics, to give people the opportunity for a full, enriched life—physically and spiritually—regardless of race, stigma, religion or gender.

### MISSION IN ACTION IN OUR COLLEGE

This month all Homeforms will be engaged in fundraising activities for Catholic Missions. Please support this worthy cause.

### STAFF RETREAT AT HOWARD SPRINGS NATURE RESERVE

Our Staff Retreat was held on the first day of Term 4. The focus was on the words of Pope Francis in calling us to fully participate in this Year of Mercy.

The day included readings from scripture and quiet time to reflect on these words through deep listening.

In this bush setting we drew on the words of Pope Francis Laudato Si- Care for our Common Home. Staff received a copy of Care for our Common Home by Bill Huebsch and Trish Hindmarsh which shows how we can care for this world while showing mercy to all who share this gift from God.

This opportunity to gather as a staff and focus on our own spiritual journey was a very positive way to start what will be a busy term.

Special "Thank yous" must go to Fr Asaeli Raass for leading our retreat and to Mrs Leanne Pope who coordinated the catering for the day.

### CREATIVE ARTS TRIP

**Natalie Hafsteins**  
Dance and Drama  
Coordinator

*"A mind that is stretched by new experience can never go back to its old dimensions" Wendell Holmes.*

Creative Arts students embarked on an inspiring trip to the Brisbane Festival to build new and continue to develop knowledge and skills in Dance and Drama. Our students gained many insights into the Arts through their engagement with live theatre, performing in new contexts, and learning new techniques and skills from current Brisbane artists.

We viewed live works within the Brisbane Festival and gained an awareness of analysing and reflecting on them. Our students were invited to take part in a range of workshops and a tour of the Creative Industries Complex at Queensland University of Technology. This was a fantastic opportunity to see the brand new facilities and have productive discussions with QUT staff and students. Our students also performed at Dreamworld on the Goldcoast and took a workshop with current performing artists at Movieworld. We also gained insight into 'Bust A Move', a dance group that caters for all abilities. This session was particularly insightful for our students as they took inspiration from the persistence and dedication from each dancer involved.

With these hands on experiences, viewings, and tours of different facilities, our students were exposed to many tertiary education options and possible career opportunities within the Arts. Our students were also able to engage with many students and performers to gauge how much work, dedication and persistence is required to make it within this industry.

#### A special thanks to...

Mrs Kelly Sayer for giving your time and support on the Trip.  
Mrs Lauretta Graham for your constant support and guidance overseeing the Trip processes.  
Mrs Yasmin Griffin for your guidance and encouragement.

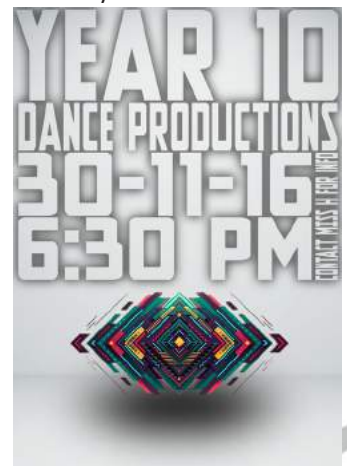

#### SEMESTER 2 Performances:

Dance Night 16/11/16 at 6.30pm.  
Year 10 Production 30/11/16 at 6.30pm.

Dear Parents and Guardians,

### PRESENTATION NIGHT 2016

This year we will be hosting our fourth Presentation Night to celebrate student achievement and to showcase their talent. This night will be held on Thursday 1<sup>st</sup> December 2016 at 6.30pm.

Mackillop Catholic College offers quality education to Year 7 to 12 students from the City of Palmerston and the surrounding areas. It is a very exciting time in our school's development, and there will be some opportunities for families and/or businesses to sponsor an award in one of our categories, which include Academic; Sporting; Cultural and Special Awards.

This sponsorship is for five years and can be secured by paying \$300 to our College. This support covers the cost of the Perpetual Shield, an Individual Trophy or Medallion and certificates for recipients.

We look forward to your positive response. Every generous donation and support received works positively towards providing improved education to young people in the City of Palmerston and the surrounding areas, and further more contributes towards building of student confidence, self-esteem and capacity as young adults.

Please contact Kate Middleton, Office Manager or Kim Schofield, Administration Officer on 89305702 or email [kate.middleton@nt.catholic.edu.au](mailto:kate.middleton@nt.catholic.edu.au) for further information.

Yours sincerely,
