*"Never see a need without trying  
to do something about it"*  
St. Mary MacKillop

Lauretta Graham  
Principal

### Dear Members of MacKillop Catholic College Community,

We hope that all families have managed to clean up their gardens and have their power back on to their homes. It was only a Category 2 cyclone but it did make some mess and disturb our normal routines for some days. A big thank you to all who helped clean up the school last Monday, it was very much appreciated. Thank you to those who continued this weekend.

We recently finished the last week of Lent. And during Lent, Project Compassion (CARITAS) is one way of reaching out to many people who have as their daily realities: distress; hardship; persecution; famine and violence. Through our contribution to Project Compassion we can bring dignity and hope to those who are suffering in our world. Project Compassion gives us the opportunity to bring new life to all those who suffer and struggle. Presently, our Home form classes are finalising their fundraising. Thank you to all students who have made the effort to help those less fortunate. CARITAS is our major fundraiser for charity each year.

Please send your family contributions through to your son/daughter's Home form teacher.

*"Aspire not to have more, but to be more"...* Archbishop Oscar Romero

May the peace of Christ be with your family as we journey through Holy Week to Easter.

*Have a happy and holy Easter,*

*Lauretta Graham*  
Principal

## A GAELIC PRAYER

DEEP PEACE OF THE RUNNING WAVES TO YOU.  
DEEP PEACE OF THE SHINING STARS TO YOU.  
DEEP PEACE OF THE QUIET EARTH TO YOU.  
DEEP PEACE OF THE WATCHING SHEPHERDS TO YOU.  
DEEP PEACE OF THE SON OF PEACE TO YOU.

*Humility connects us to the world and makes the world connected,  
a good and gracious space. Humility calms us and it calms others.  
It inspires and it assures; it enriches and it enables. Humility gifts  
us with happiness and graces the world with peace. Best of all, its  
attainment is in our own hands. Who can ask for more?*

## FROM THE DEPUTY PRINCIPAL - PASTORAL CARE

**Michael Graham**  
Deputy Principal -  
Pastoral Care

The challenge of helping young people to be successful and happy rests with every dedicated teacher and parent. Our Pastoral Care Programs provide the basis for the explicit teaching of social emotional skills for success in school and life in general. At the end of this Semester the Pastoral Care comments on reports will encompass these skills and abilities.

Our Aims of the SEL (Social Emotional Learning) programs and the ongoing wet weather brings to mind this delightful story:

### **"The Frog's Lesson"**

There once was a bunch of tiny frogs, who arranged a running competition. The goal was to reach the top of a very high tower. A big crowd had gathered around the tower to see the race and cheer on the contestants... The race began... Honestly... No one in the crowd really believed that the tiny frogs would reach the top of the tower.

You heard statements such as: "Oh, WAY too difficult!!!" They will NEVER make it to the top!!!" or: "Not a chance that they will succeed. The tower is too high!!!"

The tiny frogs began collapsing. One by one... Except for those, who in a fresh tempo, were climbing higher and higher... The crowd continued to yell, "It is too difficult!!! No one will make it!!!" More tiny frogs got tired and gave up... But ONE continued higher and higher and higher... This one wouldn't give up!!!

At the end everyone else had given up climbing the tower. Except for the one tiny frog that, after a big effort, was the only one who reached the top!

THEN all of the other tiny frogs naturally wanted to know how this one frog managed to do it. A contestant asked the tiny frog how he had found the strength to succeed and reach the goal. It turned out... that the winner was DEAF!!!

The wisdom of this story is. NEVER listen to other people's tendencies to be negative or pessimistic...

Because they take your most wonderful dreams and wishes from the ones you have in your heart!!!. Always think of the power words have. Because everything you hear and read will affect your actions!!

Therefore: ALWAYS be POSITIVE!!

And above all: Be DEAF when people tell YOU that you cannot fulfil your dreams!!!

Always think: GOD AND I CAN DO THIS!!!

Don't tell GOD how Big your storm is. Tell the storm how Big your GOD is.

*May the love of the risen Lord draw you to himself  
May the power of the risen Lord strengthen you in God's service.  
May the joy of the risen Lord fill your spirit  
May the life of the risen Lord raise you to new life this day.*

*...High Mountains, Deep Valleys,  
Edited by Rowland Croucher and Grace Thomlinson*

The Easter Season extends for 6 weeks after Easter. May God send you his peace this Easter Season and throughout this term.

**God bless,**

**Michael Graham**  
Deputy Principal - Pastoral Care

## PEACE STARTS HERE..

Christine Kingery's Russian-born grandmother was captured by the Nazis and taken to a work camp in Germany when she was 17. They shaved off her waist-length hair and tortured her. She never saw her parents or siblings again. The resourceful young woman escaped the camp and worked for many months as a nurse in underground movements in Germany and Belgium until she was captured a second time by the Nazis and taken to a concentration camp. There she met Christine's grandfather, and the two escaped. Eventually they had a daughter and went to America.

Christine remembers the stories of her grandmother. "I hate the Germans for what they did to you! Don't you just get so mad at them?" She was shocked at her grandmother's response. "The Germans are my friends. When I escaped and had nowhere to go, the Germans gave me food, shelter, and clothes. They were my friends even in the camps. The Germans are the kindest people I know."

A few years later Christine visited Nagasaki. The experience was overwhelming. Every photograph, every Japanese victim's face in the museum's exhibits, she saw her grandmother's reflection. Christine had to go outside to Peace Park on the bomb-site grounds. Beautiful colourful origami cranes – thousands of them – were draped over statues and trees. Christine sat on a bench and cried and cried. An Old Japanese woman saw her. She was about her grandmother's age. She sat next to Christine and put her wrinkled hands in Christine's. In broken English the old woman said, "Peace starts right here. **Peace starts with you and me.**"

On Easter night, the Risen Christ leaves his new Church the gift of his "peace", peace that is so much more than the absence of conflict. The peace of Christ transforms, re-creates and renews; it is a peace centred in wisdom, integrity and an attitude of thanksgiving. It is peace born of gratitude and humility, peace that values the hopes and dreams and needs of another over one's own, peace that welcomes back the lost, heals the broken-hearted, and respects the dignity of every man, woman and child as a son and daughter of God. May we embrace the gift of such transforming peace in this Easter season and in every season.

## NICE WORK BREANNA!

On Friday the 16th of March, 9.6 student Breanna Williams shaved her head for Leukaemia. She has currently raised \$4,555.70 to help support patients and families battling Leukaemia, and is still taking donations. If you would like to support the great cause which Breanna lost her locks for, please follow the link below, or visit the Leukaemia Foundations – World's Greatest Shave page and search for Breanna.

She is an inspiration at MacKillop and her friends and teachers are very proud of her selflessness.

## LANGUAGES NEWS

### Farewell Gabriele!

Our first ever Italian exchange student, Gabriele Magnani, goes home today. It was a pleasure having him here, for all his teachers, his new friends and his host families. He stayed for just over a month.

Some feedback from one of his host families:

*Hi there*

*Just dropping a line to say hi and what a pleasure it is to have Gabriele stay with us. He is so clever, well mannered, great sense of humour and always happy to help. We plan to take Gabriele fishing on the weekend, and learn how to play golf. He is excited. I have also sent an email to his mum in order to keep in touch.*

*Many thanks - Leia Graham*

Due to our wonderful staff and students' hospitality, the Italian agent would like to send more students to MCC this July for a month or two. They will arrive in around the same time as Hakata School's visit - our sister school in Japan.

*May your journey always be filled with blessings and may the life of Saint Mary MacKillop ignite in you the flames of faith and service*

## MACKILLOP NEWS

### CHAPLAIN'S CHAT

Kathryn Pettersen  
College Chaplain

Hi MacKillop Team!

I hope you have all had a lovely Easter break and are ready for the final 4 days of term 1!! A fair few of you were asking for updates while I'm away, so here it is...

I have been at my placement school for 2 weeks now. All is going really well.

#### A Highlight:

I have been on camp with the year 7s to a YMCA run campsite (It was quite similar to our year 8 camp to Adventure Bound). They had a giant swing which took you to 18m above ground and relied on you to pull a cord to release yourself into the free-fall/swing. It was lots of fun.

#### Something interesting:

The school doesn't use bells to signal the change in lessons, in fact, it doesn't use anything. The students and the teachers are very good at keeping time and it seems to work well for them.

#### Subjects I'm teaching:

Year 7 & 8 science,  
Year 9 Forensics (last lesson was blood splatter!), and  
Year 10 Geography.

So that's a little about me :) All the very best for the last week!!! you're so close! Enjoy your holidays.

*Easter Blessings,*

*Kathryn Pettersen*  
College Chaplain
