"Never see a need without trying
to do something about it"
St. Mary MacKillop

Laretta Graham
Principal

Dear Members of the MacKillop Catholic College Community,

As we embark on all that the new school year holds, we welcome all new and returning families to our community. We welcome our new staff and staff new to positions of leadership within our College. We welcome:

Our College is a community and we are all part of this community. Over the next few weeks we have a number of important events to lead off the school year. Invitations are included in this Newsletter, College Website and the Term Planner. I strongly encourage all parents to attend these events; as these relationships and connections go a long way towards building a successful year for everyone involved.

The New Year also brings with it the preparations for our new Strategic Plan. We will engage the whole College Community in this process. We will look back to the past and forward to the future and map our path for the next five years; building on traditions already established. Considering the dedication, commitment and team spirit of Staff, Parents and Students along with the College Board and the Parent's & Friend's Association; the task ahead is not too daunting but rather exciting. Please contact the College if you wish to join the College Board or the Parent's & Friends Association.

We are called together to be a community to build God's kingdom; to use our individual gifts to work for whatever time we have, employing whatever skills and resources we have been given. To be the best we can and to help others be the best they can as well.

May God bless us all with growth and happiness this year.

Yours sincerely,

Laretta Graham

'We're gonna starve if we stay here,' Emery said. 'If we're gonna go, best go now.' And he said it like going was something easy. Ella and her brother Emery are alone in a city that's starving to death. If they are going to survive, they must get away, upcountry, to find Emery's mum. But how can two kids travel such big distances across a dry, barren, and dangerous landscape?

Well, when you've got five big doggos and a dry-land dogsled, the answer is you go mushing. But when Emery is injured, Ella must find a way to navigate them through rough terrain, and even rougher encounters with desperate people...

Some of what's February New In the Library

Ellery's never been to Echo Ridge, but she's heard all about it. It's where her aunt went missing at age sixteen, never to return. Where a Homecoming Queen's murder five years ago made national news. And where Ellery now has to live with a grandmother she barely knows, after her failed-actress mother lands in rehab.

Malcolm grew up in the shadow of the Homecoming Queen's death. His older brother was the prime suspect and left Echo Ridge in disgrace. No one has forgotten Malcolm's brother - and nobody trusts him when he suddenly returns to town. Ellery and Malcolm both know it's hard to let go when you don't have closure. Then another girl disappears, and Ellery and Malcolm were the last people to see her alive. As they race to unravel what happened, they realize every secret has layers in Echo Ridge. The truth might be closer to home than either of them want to believe.

And somebody would kill to keep it hidden.

Aspiring writer, 18-year-old Tilly Maguire, is a totally reformed ex-superfan of British boyband singer, Reuben Vaughan. Yeah, she was going to marry him when she was thirteen, but that fangirl phase is way in her past now, along with an unfortunate side ponytail and a weird obsession with galaxy leggings - ugh. Cringe! When her writing wins Tilly a six-week internship at a top London PR firm, she doesn't expect to stumble from a long-haul flight straight into an A-list debacle of her own making, but these things happen.

Obviously, Tilly didn't intend to get tangled in a ridiculous scandal involving the British royal family. She's not the attention-seeking type! She's just a socially awkward introvert, with a galloping case of anxiety made even worse after a high-profile run-in with the very last person she ever imagined she'd meet for real. Not on her gap year, anyway. And not like this!

Historic Flight Commemoration

MacKillop was well represented at the recent commemoration of the 99th anniversary of the landing of Ross and Keith Smith in Australia, in 1919. School captain Zac Howe was accompanied by prefect Macinlay Maslin, and aircraft enthusiast Logan Gunn - all from Year 12 - at the commemorative ceremony on Monday 10 December.

The intrepid airmen made the voyage from the UK to Australia in 1919, winning an air race to show the viability of air travel.

Along with Sergeants Jim Bennett and Wally Shiers, they flew from Hounslow Heath Aerodrome, England, on 12 November 1919 in a converted Vickers Vimy WWI bomber, landing in Darwin Australia on 10 December, taking less than 28 days, with actual flying time of 135 hours.

The four men shared a £10,000 prize money put forward by the Australian government. Australian Prime Minister Billy Hughes, impressed by the potential for aviation in Australia, had offered on behalf of the Commonwealth Government a substantial cash prize for the first aviators to fly an aircraft from England to Australia.

Colonial Warfare

In modern history class we recently learnt about the relative advantages and disadvantages of different kinds of weaponry in colonial warfare, and how such factors affect military strategy. Firearms do not always guarantee military superiority. We also learnt not to mess with Mr Graham.

THE GOANNA PARK ADVENTURE CAMP DARWIN NT 2019

CAMP DATES: Sat 6 July – Sat 13 July

Goanna Park Adventure Camp is a unique experience offered by Variety NT with its core mission being to challenge teenagers with mild physical or mental disabilities to overcome barriers with an aim to increase self esteem and confidence.

This is achieved through a busy week-long calendar of activities, but also time spent together to develop friendships and express themselves in a safe and very supporting environment. The camp is being held at the Goanna Park Junior Police Rangers Youth facility 90km east of Darwin on the Arnhem Highway.

Admission is open to **special needs children all around Australia between the ages of 13-17 years old** and it is a truly fantastic experience highlighting what the NT has to offer. Once at the camp, the children start the process of settling in and for many this is their first time away from the comforts, routines and limitations of their family life.

The wonderful Variety volunteers soon get them involved in lots of fun activities and doing things they would never have thought they could achieve before arrival.

The camp is operated by experienced organisers and carers and there is a registered nurse on site at all times. The children's safety is paramount at all times.

As the camp is held in the NT's dry season the weather is cooler for camping out. The children sleep in supervised screen tents on a large grassed area.

A variety of indoor and outdoor Territorian activities are provided to keep the children busy from sunrise until sundown and include abseiling, swimming, craft activities and visiting many of the local attractions.

Towards the end of the camp a special talent quest showcases the children's increased confidence. The children unite during the week to practice skits, songs and comedy acts and then present them onstage to much applause.

The positive effects of the camp are far reaching and help nurture determination and resilience when facing life's obstacles, with the children knowing they have accomplished much already and now have a great bunch of friends with which to share their future journey.

There are only 24 camper spots available. If you believe there is a student or teenager that fits the criteria of our campers, please

For more information please visit our website on www.variety.org.au/nt or call the Darwin office on (08) 8981 2544.
