Music Lessons Contract

As Parent/Carer of the above mentioned student, I agree that:

1. I have requested that my child has the following music lessons, on the premises, at MacKillop Catholic College, Sacred Heart Primary School, Mother Teresa Primary School or St Francis of Assisi Primary School as part of the MacKillop Catholic College Music Programme.
2. When the College issues a signed duplicate of this letter containing the written confirmation that my request has been approved, I will commit:
 - a) To do my best to ensure that my child attends regularly and promptly on the designated times and dates, and (subject to Sub-item (c) below) to continue lessons for one full academic Term.
 - b) To pay fees in full. I understand that the prescribed tuition fees will be collected via College generated invoices. **I understand that payment is required within 30 days of receiving the invoice.** I acknowledge that the College reserves the right to withdraw tuition at any time if any amounts remain unpaid, whether

demanded or not, and without liability to refund the unexpired period of any term already paid or owing. I understand that payment cannot be added to school fees unless approved by the Principal.

- c) To giving at least **four weeks written notice** to MacKillop Catholic College if my child wishes to cease receiving tuition, and I acknowledge that in such an event, the full amount of the termly fee will remain due and payable for that notice period; notwithstanding that my child may not subsequently attend any or all of the planned lessons. I understand that unless notice of cessation is given, enrolment will automatically carry over from Term to Term and Year to Year.
- d) To being involved in the Music Programme. I will make every effort to attend all concerts, festivals, master classes, musicals etc. relating to the instrument my child plays. Also Young Musician of the Year and MacKillop's Music Night. I will be notified of any dates via the College calendar and College newsletter. I will take an active role in any active choirs and ensembles my child is involved in, as directed by their teacher. I understand that the College offers a programme of music education, **not** a selective, individually tailored programme of private tuition.

Additionally, I understand that:

- 3. These lessons are provided as part of the College curriculum and extracurricular programmes, and as such are subject to all usual pupil behaviour requirements and disciplinary policies and procedures. I understand that if my child is prohibited from attending lessons as a result of any duly authorised sanctions imposed under such rules and policies, then no refund of fees paid or payable shall be made.
- 4. If the College is unable to provide tuition lessons, for whatever reason (including but not limited to: staff or music tutor absence, College closure, College organised musical performances, events or concerts, industrial action or other unforeseen events), then the College will take all reasonable action to ensure that any missed tuition lessons are re-scheduled before the expiry date of the Term concerned.
- 5. This arrangement will remain in force for the entirety of the Instrumental Programme and the College may, at its absolute discretion, offer subsequent annual renewals on such terms and conditions. I understand that the College will notify me of each new year's fees etc. prior to each anniversary date.
- 6. My child will receive 8 lessons each per term.
- 7. My child is to bring to their lesson: their instrument, a binder folder (with all sheet music and handouts in it), a pencil and water.
- 8. Discounts on fees are given in the following circumstances:
 - Families with two or more children learning instruments are entitled to 10% off the total price of subsequent children's lessons.

- Children learning two or more instruments are entitled to 5% off each additional instrument.
9. Any additional requests for fees remissions are to be directed to the MacKillop Catholic College Principal.
