I acknowledge that the above instrument, at all times, remains the property of the MacKillop Catholic College Music Department, and is issued on loan to the student subject to the following conditions:

- (a) The instrument is to be used by the student to whom it is issued and by no other person.
- (b) Every care and attention must be given to the instrument during the period of the loan.
- (c) The instrument is returnable on demand at any time for inspection, repair, and adjustment, or for any other cause. Minor repairs and adjustments during the year are the responsibility of the parents/guardians at their cost.
- (d) Loss or damage of any instrument on loan must be immediately reported to the College. This will therefore result in a decision made by the College as to whether the student be held responsible. Generally, parents are responsible to fix or replace the instrument. Our College will only cover accidental damages/loss incurred during school time activities, including out of hours rehearsals or an official organised College function. Insurance includes accidents considered out of the students' reasonable control. Incidents such as poor handling, dropping,

leaving lying around etc. cannot be covered by College insurance. **As insurance cover does not extend beyond those situations mentioned above, you should seek private insurance for the instrument being used at other times.**

- (e) If, in the opinion of the music teacher, a student is not carrying out reasonable practice or shows little ability with the instrument, the loan may be terminated.
- (f) If the student does not observe the instrumental music programme policy on attendance of scheduled lessons, ensembles, rehearsals, performances or shows lack of progress due to lack of regular practice the loan may be terminated. Parents may appeal the decision by lodging a notice in writing to the Principal within one week.
- (g) Payment of hire is required in advance on a termly basis. Refunds will be available for terms in advance. Refunds are not available for part of a term. Terminated contracts will be charged until the end of a term.
- (h) The instrument must be returned to the college by the last Friday of any given term if the Student is not requiring the loan for the following term. Otherwise bills will be sent for the next term. All instruments on loan from MacKillop Catholic College must be returned before the last two weeks of the school year.
- (i) In all cases, instruments should be returned in good working order (reasonable depreciation taken into consideration). We reserve the right to charge for the serving or repair to an instrument returned that is in less than satisfactory condition.
- (j) Transfer students must return the instrument before leaving school.

Please copy this form for your personal records and return the signed original to MacKillop Catholic College.

By signing this form you are agreeing to the above terms and conditions.

*I understand instrument hire is an additional **\$50 per term** and considered independent and separate to any lesson price.*
