ANZAC DAY DAWN SERVICE AND MASS

2019 is the 104th anniversary for the landing of the first ANZACs in Gallipoli in 1915, the birth of the ANZAC legend. The other College Captains and I attended the Dawn Service at the Darwin Cenotaph, then followed by the Mass for the Fallen at the Darwin Cathedral. During these services we remembered those brave Australians who made the supreme sacrifice for our country, giving their lives so we could live a life of peace with our family and friends in a place we can call home. The atmosphere was very solemn as we were surrounded by people dressed in uniform wearing shiny badges with authority. I myself wore my mothers active service badge, a reminder that the ANZAC legend is still current today. Everyone has their own connection to this day, whether it's through family

members who served in the Great War itself or with current associations to the military, we all find ourselves collectively understanding that ANZAC Day is an important day of remembrance. We must never forget those brave, enduring and optimistic men and women who took part in the Gallipoli Campaign and we must continue to recognise those Australians who today demonstrate those same qualities much like our patron Saint Mary MacKillop. Without these role models in our lives, we wouldn't have people to aspire to and learn from, shaping our future and vision, creating a better environment for generations to come.

Lest We Forget.

On the 25th of April 2019, 104 years after those first brave ANZACs landed at Gallipoli in 1915, the senior college captains, myself included, alongside hundreds of fellow Territorians, attended the Dawn Service at the Darwin Cenotaph, which continued with the Mass for the Fallen at Mary Star of the Sea Cathedral.

It was an occasion of great reverence that proceeded in the early hours of the morning, unlike what was bestowed upon the ANZACs those 104 years ago. These young, brave, idealistic men and women so eager to see world found it torn by the horrors of war. But instead of turning back, they continued, laying down their own lives, making the supreme sacrifice, and gave up their own dreams of the future to protect the dreams of those who they left behind and those who were yet to come. Everyone in Australia never forgot their sacrifice, and each day, not just on ANZAC

Day, we continue to hold in our hearts and minds the values that "from failing hands" those brave men and women passed on to us; mateship, courage and sacrifice, something to which Saint Mary MacKillop demonstrated herself.

So, each year we thank those brave men and women for the legacy they left; the role models we now aspire to. And in one way or another, we all are personally linked to those who gave everything for our future, whether it be family connections to former or current serving members of our defence force, or our ability to live freely in this sunburnt country we call home.

100 years from now I wondered to myself whether ourselves and our descendants will continue to remember their bravery and sacrifice. But from what I saw on that reverent morning, with such a

May your journey always be filled with blessings and may the life of Saint Mary MacKillop ignite in you the flames of faith and service

large turn out for the morning's proceedings, with so many proudly wearing the medals of their own service and the service of their family members, and with our continued mateship, courage and sacrifice in our daily lives, one thing was made certain; we will remember them.

Lest We Forget.

On 25th of April 2019, the ANZACs arrived in Gallipoli in 1915, to acknowledge their tribute, the senior school captains along with hundreds of Territorians attended the Dawn Service at the Darwin Cenotaph contributed with a Mass for the Fallen at the Darwin Cathedral. With our attendance at the Dawn service, we did our part even if our name wouldn't have been spoken. We had a minute of silence; we acknowledged the fallen soldiers and those brave to still tell their stories today and donated flowers on behalf of Mackillop Catholic College.

ANZAC day isn't just a day to recognise those who risked their lives for the future of Australia, but realise that our future is because of them, the sacrifices they made so Australia could be as free as it is today.

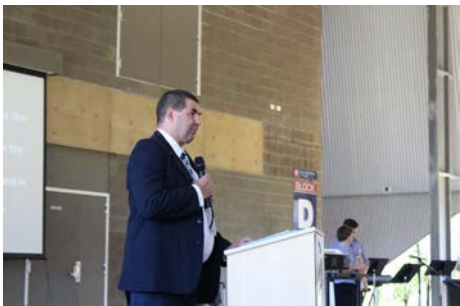

Yours sincerely,

'The windows on all the skyscrapers are smashed... No power, no lights, no people... It's a parallel New York of some kind.'

When Skye Rogers and her twin brother Red move to Manhattan, rumours of a coming global apocalypse are building. But this does not stop the young elite of New York from partying without a care.

Skye is invited to join an exclusive gang known as the Secret Runners of New York. But this is no ordinary clique - they have access to an underground portal that can transport them into the future. And what Skye discovers in the future is horrifying.

As society crumbles, Skye and Red race to figure out how to use their knowledge to survive the impending annihilation, they soon discover that the chaotic end of the world is perfect time for revenge...

Amazingly this large, chaotic family takes him under their wing - each teenager assuming Sam is a friend of another sibling. Sam finds himself inextricably caught up in their life, and falling for the beautiful Moxie. But Sam has a secret, and his past is about to catch up with him.

When the future looks dark, courageous kids bring light and hope into the world. Forty true stories celebrate kids who have protested, prayed, rebelled, saved lives, earned a fortune, lost everything, become world-famous, or fought to survive war and oppression.

Fearless kids, feral kids, Olympic champions, human-rights crusaders, climate-change warriors, princes and prisoners, workers and whiz-kids - they all show the true courage of kids. From the distant past to the present moment, kids have made their mark on history; and now they're set to change the world.

There are only two things MJ wants in her final year of high school: 1) Glowing grades and ... 2) to convince uber-smart, chiselled-jaw Jason they'd be a winning team outside the science lab as well as in.

Tutoring deadbeat drummer, Luke, isn't part of the plan. After all, he has average intelligence, takes disorganised notes and looks like a partied-out zombie at their study sessions! Not even his taut biceps will win MJ over. But MJ learns that she could be tutored in a few life lessons too: That sometimes there's good reason to skip chemistry tutorials. That intelligence is so much more than a grade average. And that sometimes you can't beat the chemistry.

OUTDOOR EDUCATION NEWS

Bikepacking Trip

DAY 1

Stage 2 Outdoor Education students began their 3 day Bikepacking Journey to Mandorah this morning. Students have successfully planned the trip from MCC to Mandorah via Lee Point and Nightcliff Foreshore. Students will gain an understanding of environmental sustainability, historical perspectives, and physical and emotional health. They learn to develop and apply risk and safety management skills and responsibility for themselves and other members of the group.

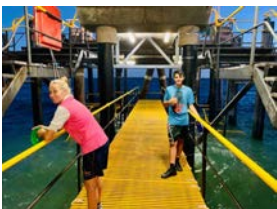

DAY 2

Lee Point - Wagait Beach, Mandorah

Students were challenged by the heat, hill climbs and heavy packs. With encouragement and motivation from each other they worked together as a team to successfully overcome physical and mental challenges of the day!!

The afternoon will be spent enjoying our well reserved reward - fishing at Mandorah Jetty.

DAY 3

Students successfully finished the 3 day Journey at the B-24J Liberator Bomber, Wagait Beach. The remains of the wreck of this B-24J are significant as a tangible reminder of the air war conducted against the Japanese during World War II from Australian soil. The significance of this site was acknowledged by students with them making observations of whether the site is sustainable for the future.

P&F ASSOC. NEWS

Dear Families,

Welcome to Term 2. We hope you enjoyed a restful break with your families and shared a most peaceful, blessed Easter. Organization for our annual **Mother's Day Stall on Friday 10 May** is in full swing. We're after donations of anything you feel would be appreciated by our much deserving mums, grandmas, aunts, sisters and other special women who care for our wonderful students. Handmade items are most appreciated. Prices will range from 50c - \$10 to ensure that everyone has a chance to buy a special gift. Donations can be left at the College Office. A massive 'Thank You' to the amazing families who have already supported us with a donation.

It was fantastic to see our students participating in the various ANZAC Day activities. Our students participated in the Dawn Services, marches and celebrations held in Palmerston, Darwin and Adelaide River. 'Lest We Forget.'

Congratulations and 'Good Luck' to those from our College Family involved with the Arafura Games. We hope your participation provides lasting memories and the opportunity for new friendships.

Please take this opportunity to become a member of the newly formed Canteen Committee. As families it is important that we have input into what our children are purchasing at school. This is just one way in which our families can engage with the College. If you are interested please contact Lauretta Graham or leave a message with Vanda.

Our P&F Treasurer, Kiernan McKendry, now has an email address. You can email Kiernan at mccpftreasurer@gmail.com. Just a reminder that Monday 6 May is the May Day Public Holiday. Our next P&F Committee meeting will be held on Monday 13 May at 7pm in the College Boardroom. Please come along. You will be most welcome.

An opportunity for Engagement with the College Staff:

Luke's Gospel

15th May from 3:30 – 4:30 in the Staff meeting room

Presenter: Robyn Craig

This workshop will give participants the opportunity to explore the purpose of the Gospel of Luke through Narrative History, Sermons, Parables, and some Prophetic Oracles.

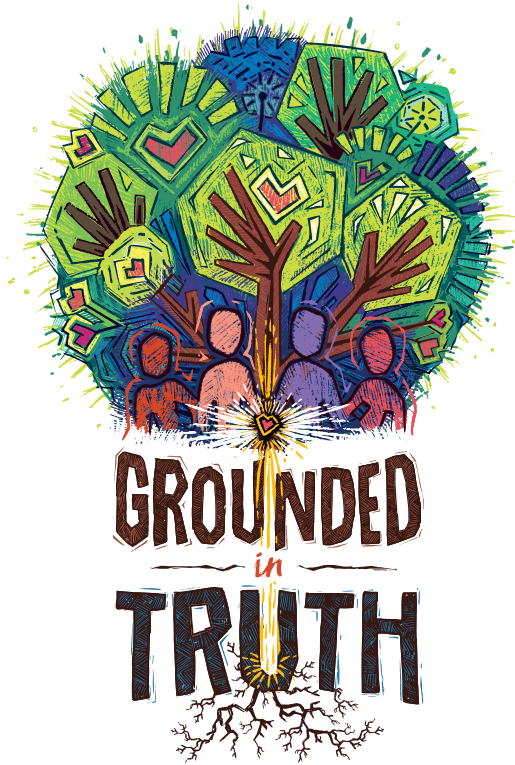

Enjoy your families,

WORKING BEE

Dear parents,

On Sunday 5th May we have our first Scheduled working bee for 2019, Between 8am and 10am.

You are welcome to join us clean up the area behind the library and in front of the fence to the West, we will all be working in this area.

To do this we will need many parents with whipper snippers, rakes, wheel barrows & Pruning saws. Please bring your own tools. The college will provide sunscreen, cold water & morning tea.

If you have a trailer that might help as we will order in a skip for rubbish disposal.

Our plan is to clean this area up so in the future we can start to mow this area & help it clean & reduce the chance of a Grass fire, snakes & rates.

Once again I'll parents will receive a credit on their fees for this volunteer services. This credit goes to ward reducing the burden of fees on families. Of you cannot make Sunday we are starting a few tasks in the same area on Saturday 4th May – the day before between 7am & 9am. If not Sunday you can make Saturday. See you over the Weekend.

Parent/Teacher/Student Conferences – Years 10, 11 and 12
9th May 2019 - Booking Access open 1st May 2019 5:30pm

Important: PTO will close one day prior to the interview at 10pm

Dear Parents and Guardians,

For our Parent/Teacher/Student Conferences, we use an online booking system called *Parent Teacher Online (PTO)*. It will save time for parents, staff and students.

Using this system, you will be able to book interview times that suit you best. Please access the system through the College website, www.mackillopnt.catholic.edu.au, by clicking on the "Parent Teacher Interviews Online" link in the "Teaching and Learning" menu.

To request a PIN, click "Obtain PIN/Password" and enter your email address. Your PIN will be emailed to you. If "Include clickable login link in email" is turned on, the email you receive will include a link that can be clicked to log straight into PTO, bypassing the login screen.

Full instructions are provided to you after log in. Please note the following points:

- When you log on, the system displays only your own child/children. Bookings are made for individual parents/guardians, not for couples. Couples can however log on to the system simultaneously to coordinate bookings. If two parents/guardians wish to attend a single interview time slot, one parent/guardian should make the booking then both can attend.
- You will only see time slots that are available at the time you are using the system. As time slots are booked for teachers, those time slots are no longer displayed as available. PTO prevents double-booking of teachers or parents/guardians.
- When you have made all the bookings you require, you can download or email a report of your bookings in time order for printing.
- If you see this symbol, displayed alongside the class name, it means this teacher recommends that you book an interview.
- Other parents may be making bookings at the same time that you are using the system. It is possible, though unlikely, that a time slot is displayed to you as available, but is then booked by another parent shortly afterwards. If you then attempt to book this time slot it will not be available and a message will be displayed to indicate this.

If you encounter any problems using PTO, please contact Mrs Arakkal by email to vanaja.arakkal@nt.catholic.edu.au.

Yours sincerely,

Vanaja Arakkal
