FROM THE PRINCIPAL

Lauretta Graham
Principal

Achieving the Goals

Term Three has been extremely rewarding and absolutely packed with student achievements. Interschool and whole school sport, class and school liturgies, excursions, preparation for tours such as Kokoda Track and the list can go on and on.

Congratulations to all parents and students for the immeasurable effort.

However successful we are in the above activities these cannot be rightly celebrated if we are not mindful of the absolute importance of quality teaching and learning in our classrooms. As this term draws to a close and student progress is recording against their assessment items and information is banked on student profiles ready for the reporting process for Term Four make their way home, I ask each parent to spend some time helping their children to critically reflect on the effort they made in class and on their home work this term.

It is essential that students realise their responsibility in the learning process. Assisting students plan for success by together negotiating and setting obtainable objectives for Term Four is an invaluable activity. Children tend to live up to, or down to, the expectations of important people in their lives. As Anthony Robbins says: "There is always room in your life for thinking bigger, pushing limits, imagining the impossible."

Adding to this, research shows that parental involvement in students' learning is the vital element in their success. Specifically, it has been found that academically successful students demonstrate significantly higher degrees of Academic Confidence, Work Persistence, Work Organisation and Getting Along with others in the school.

To maintain our strong community I urge all parents to make the effort and attend the many community gatherings held here at the College. It is through your involvement in these activities that we have the opportunity to meet others and build meaningful relationships. Some examples of these activities are: the College Board, Well-Being Nights, Parents & Friends Association Meetings, Information Nights and Working Bees, Fundraisers etc. See the Term Planner or the Website for details.

These give us a sense that we are not just individuals but all part of a bigger community. As well, this is a living, breathing reminder to me that this "Christianity" is entirely about the people of God, gathered by the Spirit of God.

Finally, I sincerely thank and acknowledge all the energy, time and effort made by all parents during this term so far. Check in with your don/daughter's teachers to see how they are travelling. Let us together finish this term strong together.

May God continue to bless the families of MacKillop Catholic College.

Lauretta Graham
Principal

May your journey always be filled with blessings and may the life of Saint Mary MacKillop ignite in you the flames of faith and service

God help us to change. Help us to change ourselves and to change our world; to know the need for it; to deal with the pain of it; to feel the joy of it; and to undertake the journey without understanding the destination. ***The art of gentle revolution.*** Amen

Leunig - Prayer for the Gifts to Seek God and Live in Him

FROM THE DEPUTY PRINCIPAL - PASTORAL CARE

Michael Graham
Deputy Principal -
Pastoral Care

Dear Families,

Your College, MacKillop Catholic College, is a uniform school. Students at MacKillop wear their uniform to connect them to their school community, demonstrating a sense of belonging and pride in the College. Wearing a school uniform correctly instils in students a positive attitude towards their presentation in professional environments. It is an outward sign of success! We ask for your

assistance in developing this positive attitude and sense of pride, belonging and professionalism.

All students are required to arrive at and leave from the College correctly dressed in full uniform.

- Formal uniform is the correct dress from Monday to Thursday, and House Uniform is the correct dress on Fridays.
- If students have Health & Physical Education then they change into and out of this uniform prior to, and at the conclusion of their HPE lesson.
- If students are unable to be correctly dressed then families should provide the student with a note for their Homeform Teacher via their Student Diary which has a section for these notes. Notes need to be rewritten daily until the issue is resolved.
- It is our expectation that all students will be in full uniform for the entire year. Families concerned about the cost of new items should consider our second hand items (all washed and repackaged) which are also available for \$5:00 per item from the Uniform Shop.
- The most common uniform issues are as follows:
 - Incorrect footwear (black leather shoes with the formal uniform);
 - Incorrect socks (navy blue for boys and white for girls with the formal uniform and white for everyone with the House uniform);
 - Incorrect shorts with HPE and House uniforms;
 - Wearing the HPE uniform to College or the House Uniform on days other than Friday; and
 - Incorrect jewellery.

Located as we are in the Northern Territory sun safety is important and our College has a regulation hat which is a compulsory part of the uniform. The hat should be worn by students when travelling to or from school, participating in any school excursion or function, outdoor sporting activity or any other outdoor activity. A "no hat no play" policy is in place.

Continued Over Page

Examples of correct uniform can be found in the booklet being sent out with this newsletter.

Uniform Shop

Our Uniform Shop is situated at the College, and coordinated by Mrs Michelle Gordon.

The opening times are:

- Monday: 8:15am – 10:15am
- Wednesday: 8:15am – 10:15am
- Thursday: 3:00pm – 5:00pm

Generally, all uniform items, with the exception of footwear, are available from the MacKillop Catholic College Uniform Shop. Regulation dress uniforms are embroidered with the College Crest. I look forward to seeing all students correctly dressed as we move into the final months of the academic year.

May God bless us all as we seek to build fine young people into outstanding young men and women.

Michael Graham

Deputy Principal - Pastoral Care

VET & CAREERS NEWS

Congratulations Dan

Congratulations to Dan Hausler, who has been quietly completing a VET course in rural operations through CDU - Katherine Rural College. Dan attended the Katherine and Darwin Shows with the show cattle team of students, staff and cattle. They were very successful at both shows with cattle and student classes. The cattle Dan had to break to be 'Show ready' placed in their classes and the CDU bull he was responsible for showing won Champion. Personally Dan received a Second ribbon award in the Senior Parader 16-21yr age group class which was quite an achievement for a new comer against seasoned competitors. At Darwin Show they again had a very successful show. Dan came second in Junior Judging class for 16-19yrs. Great effort as involved judging 4 heifers and choosing the order of preference which included public speaking on a microphone to explain to judges and spectators why the order was chosen. There were about 15 competitors. Dan's cattle that he broke also placed at the Darwin Show. The Bull Dan showed also won all his classes and then Supreme Champion Exhibit. Dan was then required to lead the bull in the Grand Parade which was a good effort for a rather cantankerous beast. Dan managed him well, he is a strong animal who was keen to show off his ability to the crowd!

May your journey always be filled with blessings and may the life of Saint Mary MacKillop ignite in you the flames of faith and service

Film Class

New Hospitality Uniforms

Raven Hobbs and Claudia MacNaughton present the uniforms they will be wearing for the new Hospitality VET course we have planned for 2020! The uniforms, as well as some other resources for the course, have been donated by Unilever Australia as part of their programme of investment in the future of the hospitality industry.

NT Training Awards

The 2019 NT Training Awards took place recently. A huge congratulations to Courtney Canavan who got runner-up in the VET in Schools Student of the Year category! Our College also got runner-up in the category of NT Training Provider of the Year, being bested only by Charles Darwin University.

MODERN HISTORY NEWS

Commemorative Coins

Students of Modern History at MCC recently received a commemorative coin from the City of Darwin Council. The coins, commemorating the arrival of the Goyder Survey Party from South Australia 150 years ago, are being distributed to schools in the region.

Pictured receiving their coin from Alderman Gary Haslett, (right) from the Council, were (l/r) Massimo Gazzola, Brodie Miniter, and Mackinlay Maslin, together with their History teacher Dr Tom Lewis OAM. Mr Haslett is also on the staff at the College as a VET teacher.

Also pictured is a 100 anniversary medallion received by Alderman Haslett at Rapid Creek Primary in 1969.

War Gaming

Year 11 Modern History students simulated a village troop bypass the other day in their practical assignment.

Students were given the role of a key person in the situation, and tracked their own movement through the afternoon's wargame. Their assignment theory section was to compare what happened in the game with the reality of the Vietnam War.

For the record, the Vietnam side won the afternoon's battle.

ARTS NEWS

Dance and Drama News

Mandy Mattison
Dance and Drama Teacher

Congratulation to the Stage 2 Drama and Stage 1 Creative Arts students on their outstanding performance of 'Write Off.' It has been an absolute pleasure to work with students who are so dedicated to improving their craft and continue to work in such a positive and professional manner to achieve outstanding results. The moderators were very happy to get to see our Stage 1's and are looking forward to seeing what they come up with next year.

Congratulations to the wonderful dance students who competed over the last couple of weekends at various competitions. These students not only show their dedication to dance by being involved in dance at MacKillop but also train at Sam's Dance Studio. I am extremely impressed with their enthusiasm and aspirations for dance and look forward to seeing them all in our upcoming performances.

Cheers,

Mandy Mattison

BOOMERANG BAGS

Mrs Colleen Bandy has been working hard to bring Boomerang Bags to Palmerston!

Together with a dedicated group of sewers, they are creating reusable shopping bags, which are now available to customers at Zuccoli IGA. The bags are sewn from recycled fabric as an alternative to disposable plastic bags, helping to reduce our negative impact on our planet and its ecosystems.

You can get involved by finding the Boomerang Bags Palmerston group on facebook!

EAGLE GROUP NEWS

A number of students from Eagle Group, Alex, Laura, Ryhs and Lakshya all competed in the National Escape Room Challenge. Their task was to create a puzzle that takes 15 minutes to complete using a wide range of provided materials. They were also allocated the health practitioner 'Nurse' which they were required to research and then incorporate further information about this profession into their puzzle. There was incredible teamwork, passion, creativity and dedication shown by all as it involved many weeks of preparation and sacrificing recess and lunch times in order to create the best puzzle possible. All students should be very proud of their efforts and represented MacKillop and Eagle group with great pride.

CONGRATULATIONS HARRY

Well done Harry Price on successfully enlisting into the army!

LANGUAGES & INTERNATIONAL NEWS

Italian Exchange Student Farewell

Languages Festival

On Saturday 31 August numerous students from Years 3-12 competed at the Inaugural Languages Speech Competition of the Northern Territory. A total of 51 students representing 6 schools were involved in the competition: Anula Primary School, Darwin High School, The Essington International School, Good Shepherd Lutheran College, Haileybury Rendall School and MacKillop Catholic College.

The standard of this competition was incredibly high, with the best from each school coming to compete. Through this annual contest students had an opportunity to use public speaking skills in a real-life scenario and have their hard work and accomplishments recognised. It has been an excellent opportunity for students to showcase their language skills.

The adjudicators made their decision based on the matter, manner and method the contestants employed in presenting their speeches. Contestants were expected to be confident and engaging speakers. The prepared speeches showed an understanding of multiculturalism and open-mindedness and were well developed and interesting. The majority of the contestants also demonstrated a balance of personal opinion and information in their speeches, as well as a balance of humour and sincerity.

We would like to congratulate all participating students for the

INCLUSION NEWS

Reading Dogs at Palmerston Library

Matthew and Helena Neuman recently participated in Palmerston City Council's "Tales for Tails", where they read to Quinton the therapy dog.

Tales to Tails is a confidence building program for kids who have literacy challenges or are uncomfortable reading aloud. The program gives them the opportunity to practice their reading to a trained therapy dog, building their confidence and helping elevate their literacy skills.

The program has been used in other states across Australia with great success, this is the first time it has been offered in a Northern Territory Library. The sessions, which started in early August, received overwhelming interest.

LIBRARY NEWS

Mackillop

The Lord family live in the worst house on the best street. It might have been different if Suzi Lord's rock 'n' roll parents, Strum and Miss Katy, hadn't stumbled on their way to stardom but after one hit single in Finland, it's been Lentil Slop Thing for dinner ever since.

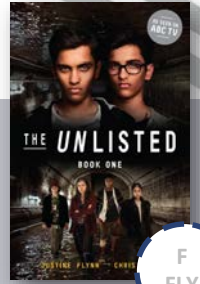

But life is about to get a lot more interesting at 92 Melody Street. Renting out their spare room seemed like a good idea but with the ghost of a grumpy drummer, a long-lost grandfather as their first guest, angry opposition from a residents action group, AND a broken leg in the first practice match of soccer season, Suzi ain't havin' much of a rockin' good time.

Then she dares to pick up a set of drum sticks and things really get wild.

Some of what's September NEW In the Library

It's 20 August 2018, late summer in Stockholm, and it feels incredibly hot in the city. The TV news reports rising temperatures, and there have been numerous fires throughout Sweden. Fifteen-year-old Greta Thunberg decides she can't wait any longer - politicians have to do something to save the environment. Instead of returning to school, Greta takes a placard and goes on strike in front of Sweden's parliament building.

Greta's protest began the Fridays for Future - or School Strike 4 Climate - movement, which millions have now joined around the world. Greta has spoken at COP24, the UN summit on climate change, and has been nominated for the Nobel Peace Prize. This is her story, but also that of many other girls and boys around the world willing to fight against the indifference of the powerful for a better future.

There's nothing Dru Sharma fears more than the dentist. So when his school runs a compulsory dental check, he convinces his identical twin, Kal, to take his spot.

The check-up has been initiated by a mysterious organisation called Infinity Group that are interested in more than the students' dental health. Infinity aims to control the hearts, minds and bodies of the world's youth. It isn't long before Kal and the other students start developing super strength, while the kids who resisted the procedure start to go missing.

Dru and Kal - with the help of a group of underground vigilante teens - will have to do whatever they can to stop Infinity Group before it's too late.

Interhouse Touch Grand Final

Knights Cup

Saints lead from start to finish to win the Newcastle Knights Cup

The MacKillop Saints Open Boys team won the Newcastle Knights Cup for the first time since their maiden victory in 2015, by defeating the reigning premiers, St. John's College, last Friday at Saints Field.

In front of a healthy crowd filled with supporters from both sides, the Saints ran out 22 to 4 point winners in what was an entertaining affair.

Interviewed before the game, coach Matthew Sharp indicated that he felt confident of a good showing against St. John's, and that he wanted his forward pack to set the tempo in the first ten minutes by really committing to their defence. Sharp got his wish, and heavy hitting from starting props Ethan Gregory and Zane McConnell set MacKillop up with quality field position in the opening stanzas of play. This territorial advantage led to debutant Harry Hall's first of two tries that afternoon, right on the tenth minute of play.

Play was tight between both sides during the mid-sections of the first half with St. John's and MacKillop continuing to go set for set up and down the pitch. The injection of club captain, Jayden Hunter, off the bench in the final ten minutes of the half soon led to points courtesy of one of his characteristic barnstorming runs. Hunter brushed off multiple defenders to score beneath the uprights and give veteran halfback, Phil Vo, an easy conversion.

No further points were to be scored in the first half and the Saints went into the half time break with a lead of 12 points.

After the break, a rejuvenated St. John's attack enjoyed the bulk of possession in the early stages, assisted by some uncharacteristic mistakes by the home side. MacKillop did well to hold out St. John's, until a Saints knock on on their own goal line led to a St. John's repeat set and an open invitation to score their first points of the contest. The conversion missed and scores were close at 12 to 4 with 20 minutes remaining in play.

Echoing the opening half, MacKillop and St. John's went set for set without points for the next ten minutes and it looked like whoever scored next, would potentially run away with the game.

The Saints defensive line held strong, led by Italian exchange student and Saints debutant, Stefano Travaglino, who really muscled up in defence and was capably supported by senior players John Aitken, Ricky Fenwick and Ronan Korljan.

Eventually weathering the St. John's evasive attacking storm, MacKillop added to their tally when Harry Hall stepped through the line from first receiver and scored close by the uprights again for another Phil Vo conversion to take the Saints up to a 14 point lead. Soon after, Jayden Hunter grabbed the second of his brace of tries for the afternoon by scoring out wide towards the sideline.

At 22 to 4 and only minutes before the full time siren, St. John's launched one final attacking raid. On a run away down the sideline, St. John's looked certain to score on a 60m breakaway before 2018 Saints MVP fullback, Stefano George, made yet another trademark try saving tackle to end the breakaway, 1m off the Saints line. George had no choice but to give away a penalty in the play the ball while the rest of the Saints defence caught up the the play and was sent for 10 in the bin for a professional foul. It was of little consequence however, as MacKillop saw out the final sets with 12 men and finished the game as Newcastle Knights Cup champions for 2019.

At the conclusion of the match, opposition coach, Shinya Nagaike,

congratulated Coach Sharp for his team's win and then presented captain for the day in his final performance, Liam Gardner, with the Knights Cup. Gardner thanked St. John's for a tough hit out and wished them luck in their pursuit of the cup in 2020.

With this result, we wave farewell to our Year 12 players and thank them for their years of service. They leave our rugby league programme knowing that they went out as champions, and that regardless of whether they play again or not, they will always be MacKillop Saints. Farewell and thanks for the memories - Phil Vo, Liam Gardner, Ronan Korljan, Ethan Gregory, John Aitken, Ricky Fenwick, Stefano Travaglino, Aidan Smith and Year 11 student, Josh Bates.

Attention now turns to Week 10 where MacKillop host the NRLNT Gala Day for the u15s Boys and the u16s Girls, who will be looking to back up their maiden Eels Cup premiership from earlier in the year.

P&F ASSOC. NEWS

Dear Families,

We hope that all our dads, grandads, uncles, brothers and other important men in our lives enjoyed a very special Father's Day. Thank you to those who joined us for Breakfast on the Go. A big Thank You to those involved with providing the breakfast.

We have had the final College Tour for the year. It was wonderful to see so many families attend the tours and show such an enthusiastic interest in all that MacKillop Catholic College has to offer. We look forward to welcoming your family into our community.

Just a reminder to register for the College Colour Run being held on 27 September. It would be wonderful if all runners could pledge at least \$10.

The P&F Trivia Night is being held on 2nd November. We are looking for donations of prizes for the night so if you can help please let us know through the College Office. It's going to be an absolutely wonderful night with some terrific auction items. You will also go into a special raffle if you bring along a non-perishable food item to donate to the Vinnies appeal. The more items you bring the more chances you have to win a great prize. Tickets are \$10/person with tables of 8. Please come and support the P&F in raising funds for shade cloth structures over the seating areas. Tickets are available from the Office now.

As part of the College Family Engagement Policy you are actively invited to make contact with the school when concerns arise. For the sake of your child it's important to deal with any concern quickly and respectfully. Sometimes, as parents, we can understandably become emotional when dealing with issues to do with our children. When making an appointment it's important to remember that you've only heard one side of the story and there is always another side so it's important to remain calm and give the teacher the opportunity to discuss the issue as they see it. At the appointment remember to deal with the problem, not attack the person. Remember, you won't always get the answer that you're looking for as there may be many other issues to consider.

Our next P&F Committee meeting will be held on Monday 14 October at 7pm in the College Boardroom. Please come along. You will be most welcome.

Enjoy your families,

Elizabeth Laughton

President, MacKillop Catholic College P&F Association

The P&F Trivia Night is being held on 2nd November. We are still looking for donations of prizes for the night so if you can help please let us know through the College Office. It's going to be an absolutely wonderful night with some terrific auction items.

You will also go into a special raffle if you bring along a non-perishable food item to donate to the Vinnies appeal. The more items you bring the more chances you have to win a great prize while helping those in need.

Tickets are \$10/person with tables of 8.

Please come and support the P&F in raising funds for shade cloth structures over the seating on the front court.
