*"Never see a need without trying
to do something about it"*
St. Mary MacKillop

Lauretta Graham
Principal

The College Board will be holding its 2019 AGM on Monday 18th November.

We hope to induct a number of new members during this meeting.

From the first moment a student steps into a Catholic school, he or she ought to have the impression of entering a new environment – an environment illumined by the light of faith and having its own unique characters. Vatican Council II summed this up by speaking of an environment permeated with the Gospel spirit of love and freedom.

The College Board will be holding its 2019 AGM on Monday 18th November.
We hope to induct a number of new members during this meeting.

From the first moment a student steps into a Catholic school, he or she ought to have the impression of entering a new environment – an environment illumined by the light of faith and having its own unique characters. Vatican Council II summed this up by speaking of an environment permeated with the Gospel spirit of love and freedom.

Every decision the College Board makes and every policy that it formulates should reflect these precepts. Every member of the College Board plays an important role in nurturing and strengthening the Catholic culture of the school.

The Board is the perfect way to have an influence on the future direction of the school. Each Board member is challenged to be aware of the joys and sorrows, the celebrations and the struggles of the families served by the school. This involves listening to the details of everyday life in the school community.

Formation is part of the Board. The Board itself determines the formation that is appropriate to its needs and circumstances.

It is important that our Board has representatives from the many cultural and family groups that make up our school.

We need you. Please consider joining the College Board.
Write an expression of interest to me: Lauretta.graham@nt.catholic.edu.au

Thank you and God Bless,

Lauretta Graham
Principal

FROM THE FRONT OFFICE

Year 7 2020 Enrolments are at Capacity

We have reached maximum capacity for year 7 2020. Further enrolment applications are welcome to be submitted, but will be put on the waiting list. We still encourage you to submit your application, as last minute changes may open up spaces for students on the waiting list, and if there is enough demand we will consider adding an extra class. Years 8 and 9 2020 are also hovering around capacity, but at this point enrolments are still being accepted in these year levels. If you have younger children who you intend to enrol at MacKillop in the future, we strongly encourage you to submit your expression of interest now rather than waiting until the end of year 6, as we are already starting to put classes together for as far ahead as 2026. We thank our whole community for this vote of confidence in what we offer here at MacKillop.

Graduation Sash Presentations

On assembly on the 23rd of October we acknowledged the achievement of our 2019 Year 12 graduands of Aboriginal and Islander ancestry, with the presentation of ATI graduation sashes. Historically, the opportunity to achieve such significant educational milestones as this, which many of us now take for granted, has not been readily available to indigenous Australians, but with each successive generation and the continued dedication and hard work of people such as these students, the world will continue to become a better place with fairer possibilities for all in the generations to come.

FROM THE APRE

Richard Milne
APRE

Reminder - Year 12 Graduation Mass

Dear Families and Friends of MacKillop,

On Wednesday 20th November 2019 all students will be attending the Year 12 Graduation Mass.

Bishop Charles Gauci will be concelebrating with Fr Tom English.

You are most welcome to attend and are encouraged to do so.

Time: 9.15am Mass commences promptly at 9.30am

Place: College Basketball Court

Students need to be dressed in full FORMAL UNIFORM.

Richard Milne

VET & CAREERS NEWS

Creative Makeup Artistry

Congratulations Maeve and Nate Marshall! In a nod to the future, Hair and Beauty students applied high levels of creative flair and technical wizardry to more than 50 models in the hours leading up to the Gen Alpha inspired Time to Shine show. This is photographer Julianne Osborne's behind-the-scenes photo essay

Mackayla and Mya Police, Fire and Emergency Services Cadets Graduation

Raven Hobbs and Claudia MacNaughton present the uniforms they will be wearing for the new Hospitality VET course we have planned for 2020! The uniforms, as well as some other resources for the course, have been donated by Unilever Australia as part of their programme of investment in the future of the hospitality industry.

Congratulations Tiana Sariago

Well done Tiana on being accepted to attend the 2019 National Indigenous Summer School at ANU in Canberra, with STEM as her focus area. We hope this experience opens up a world of possibilities in Science, Technology, Engineering and Maths for you Tiana!

SCIENCE NEWS

Congratulations Rivelya!

Congratulations Ravelya Fenwick on being granted a sponsored scholarship to attend the 2019 ConocoPhillips Science Experience! It took place at the end of last month at CDU.

From Rivelya:

"I would like to say thank you to Mackillop catholic college for giving me the opportunity to be a part of the ConocoPhillips science experience. Throughout the science experience I've gain a lot of knowledge and experience about sports science, body mechanics and computer technology. I was also taken on a tour of the LNG facility."

COMMUNITY SERVICE NEWS

Well done Cael!

Over the Mid-semester break, Cael Carson participated as an altar server in the blessing of the grounds for a new church in Western Australia. This is a momentous event to be part of - congratulations!

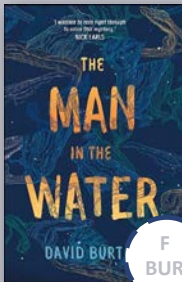

LIBRARY NEWS

Mackillop

When 16-year-old Shaun discovers a dead body in the lake of a quiet mining town in outback Queensland, he reports it to the police immediately.

But when he returns to the site with the constable, the body is gone.

Shaun's father drowned a few years ago, and now his mum and the authorities questions whether he saw a body at all. Determined to show the town the truth, Shaun and his best friend, Will, open their own investigation. What they discover is far more sinister than a mining mishap or a murder, and reveals a darkness below the surface of their mining town.

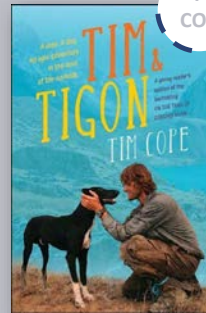

F
BUR

Some of what's October New In the Library

Adventurer Tim Cope had a childhood dream: to travel the 10,000 kilometres from Mongolia to Hungary on horseback - a journey undertaken centuries ago by the legendary leader of the Mongols, Genghis Khan. On this journey, Tim met a dog called Tigon.

For more than three years, Tim and Tigon endured searing heat and bitter cold; dark lonely nights when wolves circled their camp; hunger; despair; joy; and the wild beauty of the landscape around them. They met the people of the steppe, who welcomed Tim and Tigon into their homes, and shared their traditions and histories.

F
COP

Stacey and Laney are twins - mirror images of each other - and yet they're as different as the sun and moon. But when Laney disappears one night, Stacey can't believe she's just run off without telling her.

As the days pass and Laney doesn't return, Stacey starts dreaming of her twin. The dreams are dark and terrifying, difficult to understand and hard to shake, but at least they tell Stacey one key thing - Laney is alive. It's hard for Stacey to know what's real and what's imagined and even harder to know who to trust. All she knows for sure is that Laney needs her help.

BASKETBALL NEWS

New Saints Head of Basketball

Introducing Mr Jackson, who has taken over from Mr Robinson as the Head of Saints Basketball! He has hit the ground running and is already in the process of lining up a range of new competition opportunities, so watch this space, and speak to Mr Jackson if you are interested in basketball and would like to get involved representing the Saints!

National Basketball Representatives

Well done Piper Gotch, Sierra McQueen and Alyssa Reid, who played for the Northern Territory Cyclones representative basketball team in Ballarat for the u14 Australian Championships!

Wheelchair Basketball

The Stage 1 PE and Community Studies class went to the Marrara Basketball stadium last Friday to participate in Wheelchair Basketball as part of their unit on Modified Games. Students are investigating and analysing the improvement to inclusivity and participation that modification to games can achieve.

SWIMMING NEWS

MacKillop Stars of the Pool

On Friday the 1st of November three of our students from year 7 represented the school at the PARRS Swimming Competition. These students: Ryan Lawton, Mia Campbell, and Bridget Burman led our school to an overall 2nd place victory for the middle school division competing in all available events. They faced tough competition from schools such as Haileybury Rendall and Good Shepherd but weathered the storm in true college grit especially as they were the smallest representative school team on the night.

I was very proud of their efforts and look forward to seeing them compete in future swimming events.

Events undertaken by our team and respective times

	100 meter freestyle	50 meter butterfly	50 meter Freestyle	50 Meter Backstroke	50 Meter Breast stroke
Ryan Lawton			35.71	42.96	53.70
Mia Campbell			46.12	52.87	56.68
Bridget Burman	1:34.74	55.54	43.26	51.66	1:00.70

OTHER SPORTS NEWS

Congratulations Nelson!

Nelson Minogue recently competed in multiple sports at the School Sports Australia competition at Marrara.

Olympic Change Maker Awards

Congratulations Daniel Gabriel-Yak and Clare Forsyth, who were recipients of the Olympic Change Maker award. This is a fantastic achievement, as only a limited number of this national award are offered in the NT.

YEAR 12 NEWS

Bonnie Morton
Year 12 Coordinator

As we enter the beginning of Term 4, our Year 12 students are gearing up for their exams and working hard to get those last pieces of assessments in to complete their Northern Territory Certificate of Education.

It has been such a privilege and pleasure to work with these students across their schooling and we are so proud of all of their achievements, both in the class room and within the community.

We often receive feedback about how respectful, compassionate and caring our Year 12 students are and know that they will achieve success with whatever they choose to pursue in the weeks, months and years to come.

We are very much looking forward to celebrating all of their achievements in the coming weeks and would like to remind students of the following key dates and events:

- Last day of classes and Celebration Day: 25th October
- SWOTVAC Week 3
- Exams - Week 4 and 5

A reminder that exams are being held in the Library. Please arrive AT LEAST 15 minutes prior to the starting time of your exam to ensure you are prepared.

A reminder to students to please return all library books and to have lockers cleaned out and locks returned to Ms Mills by Friday 23rd of November.

We would like to take this opportunity to thank our parents/ caregivers for all the support you have shown both your child and the school throughout their education at Mackillop Catholic College. Finally, thank you to our Year 12 students, you have certainly grown in myriad of ways over your schooling and hope that you have enjoyed being a part of the Mackillop Catholic College community.

Bonnie Morton

P&F ASSOC. NEWS

Dear Families,

Well, here we are in Term 4. We hope you managed to spend some time together as a family over the holidays. Only another 8 weeks until the holidays approach again.

A massive virtual hug to all our Year 12 students who officially finish school this Friday. We hope that all goes well with your exam preparation and that your exams are exactly as you expected. Enjoy the Activity Day on Friday. It sounds like a day full of laughter and smiles. We look forward to joining you in your Graduation program of events. Graduation is so close. What a privilege it's been for the P&F to assist the journey of each student in some small way.

Congratulations to our Indigenous Year 12 students who received their stoles at Assembly on Wednesday. It was wonderful to share in your proud moment and learn something about your culture and future aspirations. This was another proud occasion for the MacKillop Catholic College community.

Our next P&F Committee meeting will be held on Monday 12 November at 7pm in the College Boardroom. Please come along. You will be most welcome.

Enjoy your families,

Elizabeth Laughton

President, MacKillop Catholic College P&F Association
